

Dear Parents,

I hope you are enjoying this beautifully sunny day.

Here are some setting updates and reminders about my Zoom meeting. Originally, in order to make it easy and help every parent or student successfully log into the Zoom class, I did not set a password. However, for Internet security purposes, I have reset the Zoom class for Mandarin with a password requirement. It means from now on, you need to enter a password to join the Zoom meeting with me and your other classmates.

Each grade's **9-digit Meeting ID#** and **Password** to Join Zoom is listed below-

Hsu Laoshi 許老師's Zoom for **Grade 4 Mandarin ID: 156-832-739**

Password: 004493

Hsu Laoshi 許老師's Zoom for **Grade 5 Mandarin ID: 932-247-584**

Password: 014784

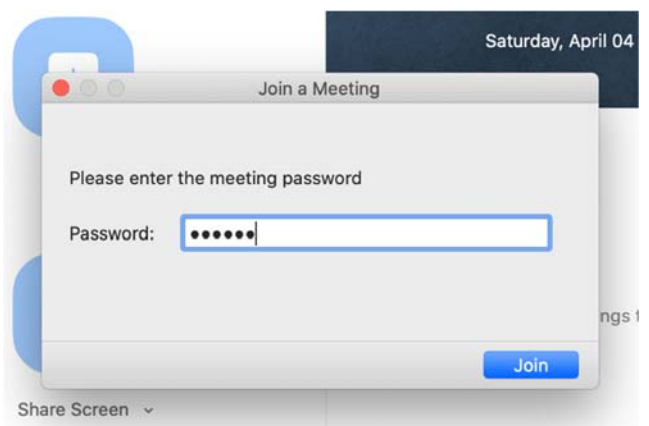

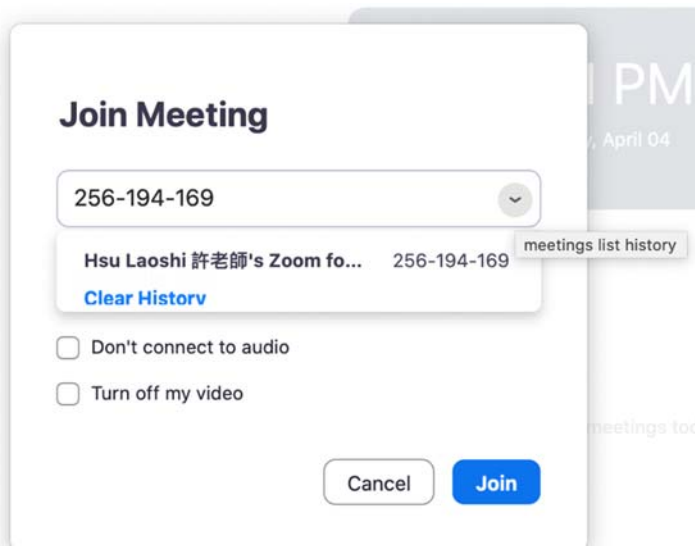

Hsu Laoshi 許老師's Zoom for **Grade 6 Mandarin ID: 126-126-466**

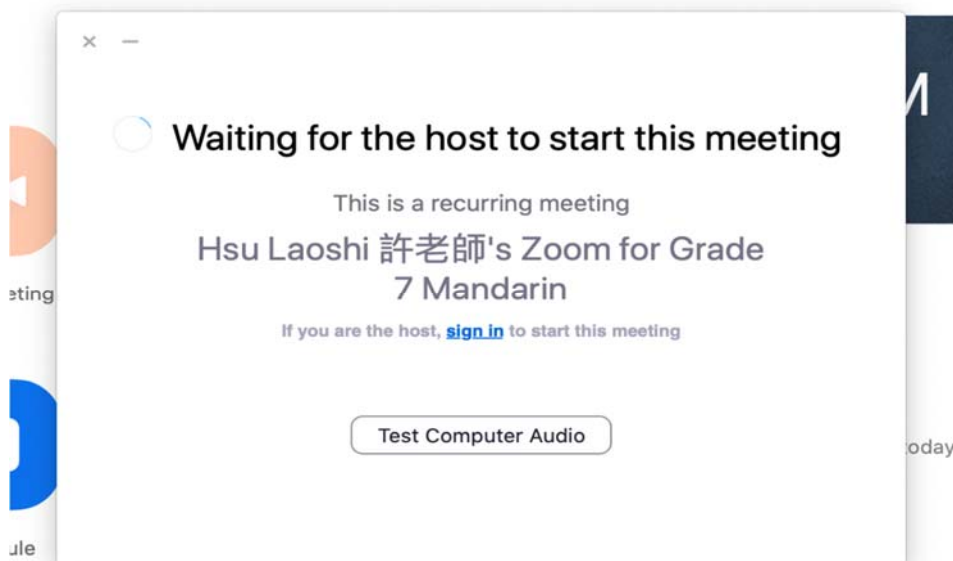

Password: 023282

Hsu Laoshi 許老師's Zoom for **Grade 7 Mandarin ID: 256-194-169**

Password: 023849

PS. Please note once you have logged into the Zoom class for Mandarin, the website will **memorize** the meeting ID. After the first time, you only need to click the **“arrow”** to find the Mandarin class next time from **“meetings list history”**. Hence, you just need to enter the given **password above**. I hope these three following pictures will help you join the class with ease. If you enter Mandarin class a bit early, please stay in the **“waiting room”**. I will meet with you ASAP.

In addition, **the first meeting on Monday afternoon will start from 1pm**, not 2pm due to these possible reasons. For some students enrolled in Chinese school, the class schedule in the previous email will cause a time conflict. Other students may have extracurricular programs to attend online. Therefore, I would like to adjust the class schedule as below:

New meeting time for each grade scheduled on Monday: **(temporary)**

Gr.7- 1:00-1:30pm

Gr.6- 1:30-2:00pm

=== short break===

Gr.5- 2:30-3:00pm

Gr.4- 3:00-3:30pm
