St. Francis Xavier School

History of St. Francis Xavier School

The Grey Sisters of the Immaculate Conception from Pembroke, Ontario, founded St. Francis Xavier School in 1933. From a donation, a house and land was purchased at the corner of Georgia Street and Princess Avenue in Vancouver's Chinatown. A Kindergarten was opened in one of the rooms of the house with the first class consisting of 30 Kindergarten students. The Kindergarten was then moved to another building across the street in 1934. The grade school began in 1938, housed in three rented classrooms on the third storey of a bank building at the corner of Main and East Pender Street. There were three grades in each classroom with a total enrolment of merely 30 students. In 1940, the very first school building, located at the corner of East Georgia Street and Princess Avenue, was constructed to accommodate about 70 students.

Over the years, the school population had outgrown the school building to such an extent that more than half of the students had to be housed in various rented buildings. Another building was later acquired on East Pender Street. The parish and school fundraised for over 20 years to build a new school. The construction then took another two years to complete when finally, in 2001, the current school building at 428 Great Northern Way was completed. Operations began in September 2001. Most Reverend Adam Exner, OMI, Archbishop of Vancouver blessed the new school on December 2, 2001.

The new school building was joined by the new Church in 2008, as well as a two-level parking garage. A playground was built on the parking garage rooftop, complete with a "Big Toy" play area for the students, which was completed in 2011. The school also added a very important aspect to our academic program in 2011-12 when it decided to include a daily Mandarin program within the curriculum for students from Kindergarten to Grade Seven. The program is designed to teach students not only the Mandarin Chinese language, but also the Chinese culture, highlighted by our annual celebration of Chinese New Year. The school additionally installed interactive projectors in each classroom for teachers to use in conjunction with their class laptops for delivering lessons. The School is expanding its technology programme with class sets of iPads and laptops for student use in the classroom. Currently, the school has 16 classrooms serving 448 students.

Regular uniform inspections will occur throughout the year and notices will be sent home if students are not following the uniform guidelines. Students must come to school in full uniform and non-uniform outer-wear is not permitted during school hours (see description below).

Students are required to have two sets of shoes at school – black dress shoes (non-marking), and P.E. runners (non-marking). Boots are not acceptable.

On the days when Primary (K-3) students have P.E. they will be allowed to wear their P.E. strip all day. Intermediate students must wear their uniform all day and change when it is time for P.E. Students must wear sweatpants over their shorts on Mass days.

Students may wear a white T-shirt or their P.E. shirt under their long sleeve shirt. Other coloured shirts are not permitted. Outerwear is not permitted to be worn on top of the uniform inside the school building or at Mass.

Girls must wear knee socks. Ankle socks are not permitted. Boys must wear plain socks without logos.

Special Programs

A) Mandarin Classes within School Curriculum

St. Francis Xavier School is unique in the city of Vancouver with its Mandarin classes taught within the structure of the school curriculum. The objective of the class is to nurture and increase students' interest in the Chinese language, in order that they may use it in their daily lives. Students are encouraged to retain and appreciate Chinese traditions and culture. There are two teachers in the Mandarin program, one who focuses on Primary (K-3) and Intermediate (4-7). The highlight of the Mandarin program is the annual celebration in the school of Chinese New Year, with performance in Mandarin as well as the traditional Lion Dance.

B) After-school Chinese Classes

St. Francis Xavier School provides a Chinese Language/Culture program after school five days a week. The emphasis in the lessons is on listening and oral skills, although reading and writing are encouraged. Homework is normally assigned on Friday, but is up to the discretion of the teacher. Students who are experiencing difficulties coping with the English curriculum will not be eligible for this program.

C) Extra-Curricular

St. Francis Xavier School offers students an opportunity to participate in a variety of sports such as volleyball, soccer, basketball, badminton, and track and field. Our teams compete annually in many of the CISVA-sponsored leagues and tournaments. Since 2004, our sports teams have been called The Dragons. Our range of extra-curricular activities and clubs (with more unlisted) are as follows:

- SFX Leadership Group

The purpose of the SFX Leadership Group is to promote leadership skills, responsibility, and school spirit within the school community. Any students who want to make a positive contribution are welcome in the Leadership group to participate in the planning and organization of school Spirit Days and Assemblies. The SFX Leadership Group has been instrumental in our local and global fundraising efforts, particularly the village well and schoolhouse in Tanzania, Africa.

- Peer Helpers

In 2012, the school formed a special group of students called the Peer Helpers group. These students volunteer their time and recess breaks to assist with the younger children in the school to learn how to get along and play together in appropriate ways. These students receive conflict resolution training and give their time freely to assist the supervisors by being proactive in avoiding possible conflict.

- Altar Servers

Intermediate students are given the opportunity to serve God and their school and parish community with their dedicated service as altar servers. Altar servers are trained to perform the various key roles that altar servers do during the Mass. Their vital service adds to the solemnity and meaning of the mass every Friday.

- Green Club

Environmental awareness is the key goal of this group. Students are tasked with the responsibility of helping other students be aware of ways they can be more environmentally friendly. Whether it be collecting candy wrappers or leading the charge against plastic water bottles, these dedicated students do their best to care for our planet.

- Spelling Bee

Every year, there is a CISVA sponsored Spelling Bee for students in Catholic schools throughout the Vancouver Archdiocese. Spelling Bee members meet weekly to practice spelling words and expand their vocabulary. Eventually, a school Spelling Bee is held to determine a school representative at the CISVA Spelling Bee.

- Choir

Over the past several years, the St. Francis Xavier School choir has enjoyed not only singing but enjoyed much success as a choir as well. Led by Mrs. Harris, the choir has won two gold medal certificates in the past two years. The choir was impressively moved to the Junior High division and awarded the gold certificate.
